Sir Arthur Yapp,

Y.M.C.A., 347 Madison Avenue, New York.

My dear Sir Arthur:

I am glad to know that you are coming to Toronto next week and I hope to see you on Friday and to be able to show you something of the University. I will doubtless meet you at the Luncheon of the Canadian Club and after that in the afternoon I should like to be able to have you at the University and to show you something of our work.

I look back with the greatest of pleasure to our intercourse on the way across. Now that the anxieties of the deep are past one only thinks of the pleasant side, and among the pleasant events was my meeting you and your friends.

With kind regards, I am,

Yours sincerely,

President.

Frank Yeigh, Esq.,

War Lecture Bureau,

Toronto.

Dear Mr. Yeigh:

I am returning you your report which I have glanced through. This afternoon I leave for England so that after this Colonel Massey will have to undertake any extra duties that are required in regard to the work of the War Lecture Bureau.

I am glad that you had such a successful trip to the West. I fully agree that the Committee should issue more frequently bulletins containing thanks. All that means that some editor must have this in charge, the work is developing so greatly. I hope that you will have a pleasant summer.

Yours sincerely,

President.

The Secretary,

The York Club,

Toronto.

My dear Sir:

I am expecting Lord Charnwood to visit Toronto and lecture at the University on Monday and Tuesday, the 4th and 5th of November. Would you be kind enough to reserve a room for him at that time and send the account to me at the University ?

Yours sincerely,

President.

Miss G. A. Lorde,

Conscientious Objectors,

255 Madison Avenue,

New York.

Dear Miss Lorde:

Will you ask Dr. Shaler to excuse my

thanks for the letter for Paris letters as an honorable

for my article on Moral Problems in Relative Conscientious?

I have not yet seen a copy of the issue but I suppose it will

soon be out.

Yours sincerely,

Dr. H. A. Young,
115 College Street,
Toronto.

Dear Dr. Young:

I am asking Professor Oswald Smith to send you at once the names of graduates in Medicine of the University of Toronto who have been decorated during the war.

If you will write to Principal Peterson of McGill, Dr. G. L. Chown of Queen's, and President Braithwaite of the Western University, London, they will be able probably to secure the names also from these Universities.

Yours sincerely,

President.
